

Broadcasting Diversity: Migrant Representation in Irish Radio

By [Author's Name]

In an increasingly diverse world, the media plays a vital role in shaping how we perceive and interact with people from different backgrounds. Radio, in particular, has the potential to be a powerful tool for promoting understanding and inclusion. However, there is often a lack of representation of migrants in the media, and when they are represented, it is often in stereotypical or negative ways.

This book examines the representation of migrants in Irish radio broadcasting, exploring the challenges and opportunities faced by migrant broadcasters and the impact of their work on Irish society. The book draws on interviews with migrant broadcasters, radio station managers, and listeners, as well as an analysis of radio programming. It argues that migrant broadcasters play a vital role in promoting understanding and inclusion in Irish society, and that their work should be supported and encouraged.
