

Character Ethics in Psychotherapy: International Perspectives in Philosophy and Psychotherapy

About the Book

Character Ethics in Psychotherapy: International Perspectives in Philosophy and Psychotherapy explores the ethical dimensions of psychotherapy from a characterological perspective. This book brings together leading scholars from philosophy and psychotherapy to offer a comprehensive and international examination of the role of character in ethical decision-making and clinical practice.

The Healing Virtues: Character Ethics in Psychotherapy (International Perspectives in Philosophy and Psychiatry)

The book is divided into three parts. Part I, "Theoretical Foundations," provides an overview of the concept of character and its relevance to psychotherapy. Part II, "Ethical Issues in Psychotherapy," examines specific

ethical issues that arise in psychotherapy, such as confidentiality, informed consent, and dual relationships. Part III, "International Perspectives," explores the ethical dimensions of psychotherapy in different cultural contexts.

Character Ethics in Psychotherapy is an essential resource for psychotherapists, philosophers, and anyone interested in the ethical dimensions of psychotherapy.

Reviews

"Character Ethics in Psychotherapy is a groundbreaking work that brings together leading scholars from philosophy and psychotherapy to explore the ethical dimensions of psychotherapy from a characterological perspective. This book is essential reading for anyone interested in the ethics of psychotherapy."

- Dr. Robert C. Roberts, Professor of Philosophy, Emory University

"Character Ethics in Psychotherapy is a timely and important contribution to the literature on psychotherapy ethics. This book provides a comprehensive and international examination of the role of character in ethical decision-making and clinical practice. It is essential reading for psychotherapists, philosophers, and anyone interested in the ethical dimensions of psychotherapy."

- Dr.
