

# Financial and Business Management for the Doctor of Nursing Practice: A Comprehensive Guide for Healthcare Leaders

:

The Doctor of Nursing Practice (DNP) is an advanced nursing degree that prepares nurses for leadership roles in healthcare organizations. As DNPs assume increasing responsibility for managing and directing healthcare systems, they require a strong foundation in financial and business management principles. This comprehensive guide provides a practical and in-depth analysis of these principles, empowering DNPs to effectively navigate the complexities of healthcare finance and operations.
