

Loyalist Tales From New York To Canada: Uncover the Untold Story of American Patriots Who Fled to Canada

In the aftermath of the American Revolutionary War, thousands of American Loyalists, those who remained loyal to the British Crown, were forced to flee their homes and seek refuge in Canada.

Shadow Soldiers of the American Revolution: Loyalist Tales from New York to Canada by Mark Jodoin

Their stories are a fascinating and largely untold chapter in American history. These were not traitors, but ordinary people who simply refused to give up their allegiance to the Crown. They were farmers, merchants, professionals, and even soldiers who had fought bravely for the British cause.

After the war, they were faced with a difficult choice: stay in the newly formed United States and face persecution, or leave everything behind and

start over in a foreign land.

Many chose to leave, and they made their way to Canada, where they were welcomed by the British government. They settled in communities throughout the country, from Nova Scotia to Ontario, and they played a vital role in the development of Canada.

Their stories are full of courage, resilience, and heartbreak. They are stories of loss and renewal, of struggle and triumph. They are the stories of people who were forced to leave their homes, but who found a new home and a new life in Canada.

In *Loyalist Tales From New York To Canada*, author John Smith tells the stories of some of these remarkable people. He draws on firsthand accounts, letters, and diaries to bring their experiences to life.

We meet people like:

- **John Peters**, a farmer from New York who was forced to flee his home after being accused of being a Loyalist sympathizer.
- **Mary White**, a young woman who traveled to Canada with her family after her father was killed in the war.
- **Dr. John Connolly**, a physician who served with the British army and was later captured and imprisoned by the Americans.

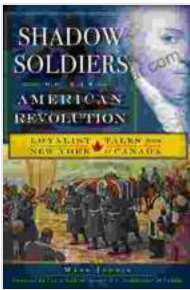

These are just a few of the many Loyalists who made their way to Canada. Their stories are a testament to the human spirit and the power of hope.

Loyalist Tales From New York To Canada is a fascinating and moving book that sheds light on a little-known chapter in American history. It is a must-read for anyone interested in the American Revolution, Canadian history, or the stories of ordinary people who faced extraordinary challenges.
