Aristotle's "Nicomachean Ethics" is one of the most influential works in the history of Western thought. In this classic text, Aristotle explores the nature of virtue and the good life. Over the centuries, many scholars have written commentaries on the "Nicomachean Ethics," offering their own interpretations of Aristotle's ideas.

In "On Virtue: Ancient Commentators on Aristotle," a team of leading scholars provides a comprehensive overview of the ancient commentaries on the "Nicomachean Ethics." This volume includes essays on the commentaries of Alexander of Aphrodisias, Aspasius, Eustratius, John Philoponus, Porphyry, Simplicius, and Themistius. These essays explore the different ways in which ancient commentators interpreted Aristotle's ideas on virtue, happiness, and the good life.

The Importance of Ancient Commentaries

Ancient commentaries are an invaluable resource for understanding Aristotle's philosophy. These commentaries provide insights into the historical context in which Aristotle wrote, and they help us to understand the different ways in which his ideas were interpreted by later thinkers.

The ancient commentators on the "Nicomachean Ethics" were not simply passive transmitters of Aristotle's thought. They actively engaged with his ideas, offering their own interpretations and critiques. This process of commentary helped to shape the development of Aristotelian ethics, and it continues to influence philosophical thought today.

The Contributions of Ancient Commentators

The ancient commentators on the "Nicomachean Ethics" made a number of important contributions to the development of ethical thought. These contributions include:

- They helped to clarify Aristotle's ideas on virtue and the good life.
- They provided insights into the historical context in which Aristotle wrote.
- They offered their own interpretations and critiques of Aristotle's ideas.
- They helped to shape the development of Aristotelian ethics.

On Virtue: A Valuable Resource for Students and Scholars

"On Virtue: Ancient Commentators on Aristotle" is a valuable resource for students and scholars of ancient philosophy. This volume provides a comprehensive overview of the ancient commentaries on the "Nicomachean Ethics," and it offers a unique insight into the development of Aristotelian ethics.

If you are interested in learning more about Aristotle's philosophy, or if you are simply looking for a deeper understanding of virtue and the good life, then I highly recommend this book.
