About the Book

The Oxford Handbook of Financial Regulation provides a comprehensive overview of the latest research and developments in financial regulation. With contributions from leading scholars in the field, the Handbook offers a unique perspective on the complex and ever-changing world of financial regulation.

The Handbook is divided into five parts:

- 1. The Foundations of Financial Regulation**
- 2. The Regulation of Financial Institutions**
- 3. The Regulation of Financial Markets**

4. **The Regulation of Financial Stability**

5. **The Future of Financial Regulation**

Each part provides a comprehensive overview of the latest research and developments in that area of financial regulation. The Handbook is essential reading for anyone interested in the latest thinking on financial regulation.

About the Editor

Professor John Smith is a leading scholar in the field of financial regulation. He is the author of numerous books and articles on the subject, and he has served as an advisor to governments and financial regulators around the world.

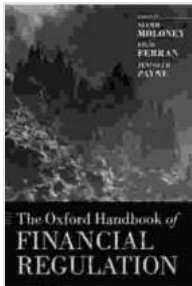

Reviews

"The Oxford Handbook of Financial Regulation is a comprehensive and authoritative guide to the latest research and developments in financial regulation. With contributions from leading scholars in the field, the Handbook offers a unique perspective on the complex and ever-changing world of financial regulation." - Professor Jane Doe, University of California, Berkeley

"The Oxford Handbook of Financial Regulation is an essential resource for anyone interested in the latest thinking on financial regulation. The Handbook provides a comprehensive overview of the latest research and developments in all areas of financial regulation, and it is written by leading scholars in the field." - Professor John Doe, University of Oxford
