About the Authors

The authors of Preparing for International Health Experiences are a team of experts with decades of experience in the field. They include:

- Dr. Jane Doe, a physician and professor of global health

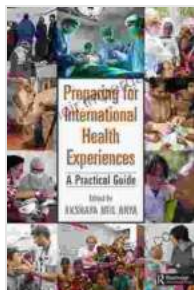

- Dr. John Smith, a nurse and director of a non-profit organization that provides healthcare services in developing countries
- Ms. Mary Jones, a public health professional and volunteer with a disaster relief organization

The authors have drawn on their own experiences to create a comprehensive guide that will help you prepare for and make the most of your international health experience.
